

Dear Parents,

There is proven research that children whose parents are involved get better grades, do better on tests, and have fewer discipline problems in school. The PHS Parents Club offers opportunity for parent's to get involved. The PHS Parent's Club is open to all parent's and friends of Pittsburg High School Students. The club seeks to bring parents of students into closer contact with school functions and increase awareness of what the needs of the children and the school are.

The Parent's Club meets bi-monthly during the school year on **Sept 16, Nov 18, Jan 20, Mar 17 and May 19 at 7P.M. in the school library.** On occasions we have special meetings.

Volunteering doesn't mean a huge time commitment. An hour or two a semester makes a big difference and we have jobs to fit your time schedule and interests. We even have tasks that don't involve coming to the school at all. There are lots of rewards, both big and small, for those who get involved. Won't you join us?

Your membership donation allows you voting privileges at the bi-monthly meetings. The donation is also used to support expenses for all the activities including scholarships to help students achieve higher education. We look forward to making 2010-2011 year better than ever.

**BE A ROLE MODEL-JOIN PARENTS CLUB-** You will be demonstrating to your child the importance you place on education.

Sincerely,

Greg Strom- Dir. Student Activities
