

# NEW FOR 2009 – 2010

## PLANNERS

- Planners will be used by every student to keep track of homework and other events. These will be available for \$5.00 at registration and are required. It will be included for free to those who purchase an SAS sticker.

## ATHLETICS

- Athletics is going to need to start charging a fee for transportation. This has been done in every other school in our league for years. It is with disappointment that we are going to need to start charging here at PHS. The cost will be approximately \$30 - \$50 per sport, depending on the sport. See your coaches for more information.

## YEARBOOK

- The yearbook staff has lost money the last few years purchasing more books than they sell, not knowing how many books to purchase. This year, if you want a yearbook, you must purchase an SAS sticker or pay for the yearbook before February 1. The yearbook staff will only purchase the number of books they have sold by the February deadline.

## GRADUATION

- Since we are starting school on a Wednesday, it results in school ending next year on a Tuesday. Therefore the graduation date/time may be adjusted. We will keep you informed as more information becomes available to us. You will be able to find this on the website as soon as we know the date/time.
