Linda K. Rondeau
Superintendent

Ricardo Araiza
Principal

Principal's Message

Foothill Elementary School's mission is to provide our students a safe, nurturing, and pedagogically sound learning environment that promotes the acquisition of rigorous academic and social skills. Moreover, we are committed to the vision of educating world-class students.

We are a multicultural, multilingual school that promotes equity. It is our firm belief that all students can learn at high levels when provided instruction that meets their diverse needs. We are determined to provide our students with meaningful instructional activities that encourage creativity, divergent thinking, responsibility, problem solving, and decision-making skills. We believe that all students have the right to learn with confidence and positive self-esteem.

We carry out our duties with pride and professionalism. As educators, we subscribe to the ideal of lifelong learning, and the continual growth of our students, parents, and staff. We are resolved to working with our families and community to collectively prepare our students for successful participation in our global community.

Parental Involvement

There are many ways to get involved, whether it is participating in one of the parent committees described below, attending our school events, helping at school, or simply staying informed and making sure your children read and complete their assignments.

English Learner Advisory Committee (ELAC)

- Advises the principal and staff on programs and services for English learners (students that are learning English as their second language).

Dual Immersion (DI) Parents

- Focus is on our dual immersion (Spanish-English) bilingual program, which is designed to add English proficiency to Spanish speakers and Spanish proficiency to English speakers.

School Site Council (SSC)

- Comprised of five elected parents and four elected staff members, plus the principal, whose main function is providing input and oversight into development and implementation of the school plan and related budgets.

Gifted and Talented Education (GATE) Parents

- Focus is on our students identified as GATE. Information on what our teachers, school, and District are doing to meet the needs of our GATE students is shared and discussed.

Other parent involvement opportunities include:

- Assisting teachers in the classroom with materials and projects.
- Assisting with popcorn sales, picture day, dental and vision screening, and other special events.
- Assisting with playground, parking lot, or crosswalk supervision, or school beautification.
- Providing expert advice and support as related to your job or expertise.

For more information on how to become involved, contact Ana Perez, Family Coordinator, at (925) 473-2450.

Pittsburg Unified School District

2000 Railroad Avenue
Pittsburg, CA 94565

Phone: (925) 473-2300

Fax: (925) 473-4274

www.pittsburg.k12.ca.us

It is the mission of Pittsburg Unified School District to inspire our students, to ensure they achieve equity in academic excellence and to bring students closer together through shared experiences in learning. We believe the cultural diversity of our community and our youth are our greatest assets. We endeavor to bring our students to their fullest potential and to create lifelong learners who will contribute positively to the world.

"Home of the Golden Eagles"

California Physical Fitness Test

Each spring, all students in grades 5, 7, and 9 are required to participate in the California Physical Fitness Test (PFT). The State Board of Education designated the *Fitnessgram*® as the PFT for students in California public schools. The test measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

The primary goal of the *Fitnessgram*® is to assist students in establishing lifetime habits of regular physical activity. The table shows the percentage of students meeting the fitness standards for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf/.

Percentage of Students Meeting Fitness Standards

Grade 5	
Four of Six Standards	22.6%
Five of Six Standards	31.0%
Six of Six Standards	19.0%

Class Size

07-08 08-09 09-10

The bar graph displays the three-year data for average class size.

Class Size Distribution — Number of Classrooms By Size

Grade	07-08			08-09			09-10		
	1-20	21-32	33+	1-20	21-32	33+	1-20	21-32	33+
K		4			3		1	2	
1	9			6	1		3	1	
2	5			2	1		3	2	
3	8			2	3		4		
4	1	4			5		4		
5	1	1	2		3		1	3	

Enrollment and Demographics

The total enrollment at the school was 497 students for the 2009-10 school year.

School Facility Items Inspected

The tables show the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. The following is a list of items inspected.

- **Systems:** Gas Systems and Pipes, Mechanical Systems (heating, ventilation, and air conditioning), Sewer
- **Restrooms/Fountains:** Restrooms, Sinks/Drinking Fountains (interior and exterior)
- **Interior:** Interior Surfaces (floors, ceilings, walls, and window casings)
- **Safety:** Fire Safety Equipment, Emergency Systems, Hazardous Materials (interior and exterior)
- **Cleanliness:** Pest/Vermin Control, Overall Cleanliness (school grounds, buildings, rooms, and common areas)
- **Structural:** Structural Condition, Roofs
- **Electrical:** Electrical Systems (interior and exterior)
- **External:** Windows/Doors/Gates/Fences, Playgrounds/School Grounds

School Facility Good Repair Status

This inspection determines the school facility's good repair status using ratings of good condition, fair condition, or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair, or poor condition.

School Facility Good Repair Status			
Items Inspected	Repair Status	Items Inspected	Repair Status
Systems	Good	Restrooms/Fountains	Good
Interior	Good	Safety	Good
Cleanliness	Good	Structural	Good
Electrical	Good	External	Good
Overall Summary of Facility Conditions			Good
Date of the Most Recent School Site Inspection			09/01/2010
Date of the Most Recent Completion of the Inspection Form			09/01/2010

Note: At the time of this school facility inspection, no deficiencies were found.

School Facilities

Foothill was built in 1977 with a "pod" design that has clusters of five classrooms around a common sixth room. Each of our five pods has a small teachers' lounge/workroom and restroom. We have 27 classrooms in all.

We have an attractive campus as we went through modernization the summer of 2010. The school's entire fire alarm system was upgraded in fall of 2005.

We have a library with over 9,450 books and it includes multicultural books, as well as bilingual and books in languages other than English. We also have a multipurpose room that contains our cafeteria and stage. The stage's floor was replaced in the fall of 2005. We currently have two playground structures (one for kindergarten and one for lower grades) but are planning to either replace two other structures that were removed, or install one large playground structure for grades 1-5.

There are three outdoor full-court basketball courts and two half-courts. We also have three lawn-play areas—one for kindergarten, one for grades 1-2, and one for grades 3-5.

We make extensive efforts to keep all of our students safe before, during, and after school. We implement a clear and consistent schoolwide behavior program which has safety as one of its rules. We teach students and practice what this means and reward them for following school rules. We require that school visitors sign in and wear a visitor's badge when on campus during school hours. We have a safe school plan that is updated every year and includes a lockdown/intruder procedure.

Teachers are assigned to supervision duty before school, during recess, and after school. Classified staff members are hired to provide supervision during breakfast, lunch, and lunch recess.

Continued on sidebar

School Facilities

Continued from left

Each teacher has a desktop computer. Our first computer lab was recently opened at Foothill Elementary. Every computer has internet access. Every classroom now has a TV and a DVD player and/or VCR.

We have one full-time head custodian, one full-time evening custodian, and one additional part-time evening custodian.

Every site is inspected on a monthly basis according to the guidelines generated by the Williams Settlement decision. At this time, we have no safety related discrepancies that have not been corrected. The site administrator and the custodial staff address school cleanliness daily. Restrooms are cleaned on a routine basis and discrepancies are noted, work orders created, and corrections made on a timely basis. School grounds and facilities are adequate for the student enrollments assigned to the site. Deferred maintenance items are scheduled and completed in a timely manner.

Foothill Elementary School recently went through an extensive modernization during the summer of 2010. The major projects included:

- new roof
- new AC system in B-Pod and the cafeteria
- gates to secure the common hallway
- new paint job
- new Kinder playground
- computer lab
- new student restroom

Solar panels were also installed during the summer of 2010. These solar panels were not part of the modernization but will be used to provide energy to the school buildings.

The District participates in the State School Deferred Maintenance Program, which provides state-matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2010-11 school year, the District budgeted \$700,000 for the Deferred Maintenance Program. This represents 0.970% of the District's general fund budget.

“We carry out our duties with pride and professionalism.”

School Safety

The School Safety Plan addresses how we respond to emergencies, such as earthquakes and fires, and other emergencies and disasters.

During the 2009-10 school year, our Safety Committee met once a year to review our plan and its implementation. In addition, parents are encouraged to participate in our various parent committees and provide input. Each parent committee is asked to provide input on safety needs for our school, which is incorporated into our Safety Plan and also our School Plan. A copy of either plan may be requested at any of our committee meetings or from our office.

We have regular fire drills, quarterly earthquake drills, and yearly shelter-in-place drills. Each room has a small first aid kit, and additional emergency supplies have been ordered for each classroom.

Our school office has a National Weather Service radio and is linked to the Contra Costa County Community Awareness and Response (CAER) system, which alerts us of emergencies.

The School Safety Plan was most recently reviewed, updated, and discussed with school faculty on March 1, 2009.

Textbooks and Instructional Materials

California State-adopted textbooks are recommended by district committees adopted by the Board and then purchased. Each site, through funds supplied by the District, has been able to provide every student with a copy of every core textbook to use in class and take home for homework.

The District has purchased textbooks and instructional materials for grades kindergarten to twelve; and said textbooks and instructional materials are used by students at each grade level in each school. This being said, the Pittsburg Unified School District Governing Board declared at their fall school board meeting that the District has provided sufficient textbooks or instructional materials consistent with the State Board-adopted curriculum framework cycle.

Textbooks and Instructional Materials List

Subject	Textbook	Adopted
English-Language Arts	Macmillan/McGraw-Hill (K-5) Treasures	2010
Mathematics	Macmillan/McGraw-Hill (K-5)	2008
Science	Macmillan/McGraw-Hill (K-5)	2007
History-Social Science	Scott Foresman (K-5)	2006

Note: This data was most recently collected and verified in September 2010.

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials:

Foothill ES

Subject	Percentage Lacking
Reading/Language Arts	0%
Mathematics	0%
Science	0%
History-Social Science	0%
Visual and Performing Arts	✧
Foreign Language	✧
Health	✧

✧ Not applicable.

Suspensions and Expulsions

This table shows the rate of suspensions and expulsions (the total number of incidents divided by the school's total enrollment) for the most recent three-year period.

Suspension and Expulsion Rates

	Foothill ES			Pittsburg USD		
	07-08	08-09	09-10	07-08	08-09	09-10
Suspension Rate	0.083	0.069	0.022	0.142	0.221	0.100
Expulsion Rate	0.001	0.000	0.000	0.002	0.001	0.001

STAR Results for All Students: Three-Year Comparison

The Standardized Testing and Reporting (STAR) results are reported as performance levels in order to compare student achievement to state standards. The five performance levels are: **Advanced** (*exceeds state standards*); **Proficient** (*meets state standards*); **Basic**; **Below Basic**; and **Far Below Basic**. Students scoring at the Proficient or Advanced level meet state standards in that content area. The tables below show the percentage of students that scored at Proficient or Advanced levels in English-language arts, mathematics, and science.

Percentage of Students Scoring At Proficient or Advanced Levels

	Foothill ES			Pittsburg USD			California		
	07-08	08-09	09-10	07-08	08-09	09-10	07-08	08-09	09-10
English-Language Arts	27%	34%	38%	32%	36%	38%	46%	50%	52%
Mathematics	34%	50%	47%	32%	37%	40%	43%	46%	48%
Science	32%	20%	33%	31%	32%	36%	46%	50%	54%

STAR Results by Student Group: English-Language Arts, Mathematics, and Science

Percentage of Students Scoring At Proficient or Advanced Levels

Group	Spring 2010 Results		
	English-Language Arts	Mathematics	Science
All Students in the District	38%	40%	36%
All Students at the School	38%	47%	33%
Male	37%	51%	37%
Female	39%	42%	29%
Black or African American	39%	37%	43%
American Indian or Alaska Native	❖	❖	❖
Asian	79%	64%	❖
Filipino	71%	65%	❖
Hispanic or Latino	30%	46%	26%
Native Hawaiian or Pacific Islander	❖	❖	❖
White	50%	56%	❖
Two or More Races	❖	❖	❖
Socioeconomically Disadvantaged	34%	45%	25%
English Learners	24%	44%	15%
Students with Disabilities	21%	21%	❖
Students Receiving Migrant Education Services	❖	❖	❖

❖ Scores are not shown when the number of students tested is 10 or less, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key tests, including the California Standards Test (CST), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). The CSTs are multiple choice tests in English-language arts, mathematics, science, and history-social science for varying grade levels. Some grade levels also participate in an essay writing test.

The CSTs are used to determine students' achievement of the California Academic Content Standards. These standards describe the knowledge and skills that students are expected to learn at each grade level and subject.

The CMA is a modified assessment for students with disabilities who have an individualized education program (IEP). It is designed to assess those students whose disabilities prevent them from achieving grade-level proficiency on an assessment of the content standards with or without accommodations.

The CAPA is an alternate assessment for students with significant cognitive disabilities who are unable to take the CST with accommodations or modifications or the CMA with accommodations.

For a complete report on all tests, participation, groups, and their scores by grade level, please visit <http://star.cde.ca.gov/>. To learn more about the STAR Program, please visit the guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

API Ranks

Schools are ranked in ten categories of equal size, called deciles, from 1 (lowest) to 10 (highest) based on their API Base reports. A school's "statewide rank" compares its API to the APIs of all other schools statewide of the same type (elementary, middle, or high school). A "similar schools rank" reflects how a school compares to 100 statistically matched similar schools. This table shows the school's three-year data for statewide API rank and similar schools API rank, for which information is available.

API Growth by Student Group

This table displays, by student group, the actual API change in points added or lost for the past three years.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. The API is a score on a scale of 200 to 1,000 that reflects a school's, district's or a student group's performance level, based on the results of statewide testing. An API score of 800 is set as the statewide target.

Each annual API reporting cycle includes a Base and a Growth API. The Base API starts the reporting cycle and is released approximately a year after testing (i.e., The 2009 Base is calculated from results of statewide testing in spring 2009 but is released in May 2010). The Growth API is released after the Base API but is calculated from test results from the following year (i.e., The Growth API is calculated from results of statewide testing in spring 2010 and released in August 2010). Therefore, for the 2009-10 API reporting cycle, the 2009 Base indicator and 2010 Growth indicator are used. To learn more about API, please visit the API information guide at www.cde.ca.gov/ta/ac/ap/documents/infoguide09.pdf and the API overview guide at www.cde.ca.gov/ta/ac/ay/documents/overview10.pdf.

API Ranks

API Ranks — Three Year Comparison

	2007	2008	2009
Statewide API Rank	1	1	2
Similar Schools API Rank	1	1	1

API Growth by Student Group

API Growth by Student Group — Three Year Comparison

Group	Actual API Change		
	07-08	08-09	09-10

API Growth by Student Group: 2010 Growth API Comparison

API Growth by Student Group — 2010 Comparison			
Group	2010 Growth API		
	Foothill ES	Pittsburg USD	California
All Students	740	718	767
Black or African American	720	674	686
American Indian or Alaska Native	■	■	728
Asian	■	790	890
Filipino	■	837	851
Hispanic of Latino	718	710	715
Native Hawaiian or Pacific Islander	■	730	753
White	■	777	838
Two or More Races	■	■	807
Socioeconomically Disadvantaged	720	708	712
English Learners	720	690	692
Students with Disabilities	■	549	580

■ Data are reported only for numerically significant groups.

API Testing Note: Assessment data are reported only for numerically significant groups. To be considered 'numerically significant' for the API, the group must have either: (1) at least 50 students with valid test scores who make up at least 15% of the total valid scores, or (2) at least 100 students with valid test scores.

Federal Intervention Program

Schools and districts that receive Title I funding can enter Program Improvement (PI) if they fail to meet AYP over two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). With each additional year they don't meet AYP, they advance to the next level of intervention. This table displays the 2010-11 Program Improvement status for the school and district. For more information, visit www.cde.ca.gov/ta/ac/ay/.

Federal Intervention Program		
	Foothill ES	Pittsburg USD
Program Improvement Status	In PI	In PI
First Year of Program Improvement	1998-1999	2008-2009
Year in Program Improvement	Year 5	Year 3
Number of Schools Identified for Program Improvement		8
Percent of Schools Identified for Program Improvement		67%

API Growth by Student Group: 2010 Growth API Comparison

This table displays, by student group, the 2010 Growth API at the school, district, and state level.

“As educators, we subscribe to the ideal of lifelong learning, and the continual growth of our students, parents, and staff.”

Adequate Yearly Progress

The No Child Left Behind (NCLB) Act requires that all schools and districts meet Adequate Yearly Progress (AYP) requirements. To meet these standards, California public schools and districts must meet or exceed criteria in four target areas:

1. Participation rate on statewide assessments in English-language arts and mathematics
2. Percentage of students scoring proficient on statewide assessments in English-language arts and mathematics
3. API scores
4. Graduation rate for high schools

The table displays whether or not the school and district made AYP overall and met each of the AYP criteria for 2009-10. For more information, visit www.cde.ca.gov/ta/ac/ay/.

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Adequate Yearly Progress

Adequate Yearly Progress Criteria				
	Foothill ES		Pittsburg USD	
Met Overall AYP	No		No	
AYP Criteria	English-Language Arts	Mathematics	English-Language Arts	Mathematics
Participation Rate	Yes	Yes	Yes	Yes
Percent Proficient	No	No	No	No
API	Yes		Yes	
Graduation Rate	✧		No	

✧ Not applicable. The graduation rate for AYP criteria applies to high schools.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (i.e., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

Academic Counselors and School Support Staff

Academic Counselors and School Support Staff	
Academic Counselors	FTE and Ratio
Number of Academic Counselors (FTE)	0.0
Ratio of Students Per Academic Counselor	✧
Support Staff	FTE
Counselor (Social Behavioral or Career Development)	0.0
Library Media Teacher (Librarian)	0.0
Library Media Services Staff (Paraprofessional)	1.0
Psychologist	0.5
Social Worker	0.0
Nurse	0.0
Speech/Language/Hearing Specialist	0.5
Resource Specialist (non-teaching)	0.0

With Full Credential	448	34	28	31
Without Full Credential	2	3	1	0
Teaching Outside Subject Area of Competence		0	0	0

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note: Total teacher misassignments includes the number of misassignments of teachers of English Learners.

Teacher Misassignments and Vacant Teacher Positions			
	Foothill ES		
	08-09	09-10	10-11
Teacher Misassignments of English Learners	0	0	0
Total Teacher Misassignments	0	0	1
Vacant Teacher Positions	0	0	0

No Child Left Behind Compliant Teachers

NCLB requires that all teachers of core academic subject areas be "highly qualified." In general, for a teacher to be considered highly qualified, they must have a bachelor's degree, an appropriate California teaching credential, and have demonstrated competence for each core subject he or she teaches. The table displays data regarding NCLB compliant teachers from the 2009-10 school year. For more information on teacher qualifications related to NCLB, please visit www.cde.ca.gov/nclb/sr/tq.

No Child Left Behind Compliant Teachers		
	Percent of Classes in Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
Foothill ES	100.0%	0.0%
All Schools in District	99.2%	0.8%
High-Poverty Schools in District	99.6%	0.4%
Low-Poverty Schools in District	✧	✧

NCLB Note: High-poverty schools are defined as those schools with student participation of approximately 75% or more in the free and reduced priced meals program. Low-poverty schools are those with student participation of approximately 25% or less in the free and reduced priced meals program.

✧ Not applicable.

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. More information can be found by visiting <http://data1.cde.ca.gov/dataquest/>.

Professional Development

The Local Education Agency Plan (LEAP) and the sites' Single Plan for Student Achievement (SPSA) are the genesis of selected focus for professional development. The data from student achievement drives the selection of adult learning opportunities. Based on student achievement data, including underperforming subgroups, the District is focusing professional development on mathematics and writing.

Every teacher participates in professional development days. Beyond the professional development days, educators collaborate with each other in facilitated grade level/department meetings. Site administrators provide support and feedback to staff members related to targeted improvements.

Summer institutes are numerous and comprehensive. In-depth trainings are available in implementing core curricula, intervention programs, English Language Development, Structured Engagement, Thinking Maps, and mathematics as a few examples.

Teachers fulfill the NCLB requirements for being highly qualified with District support. Compensation is provided to teachers who attend professional development outside the work day. Substitutes are provided when necessary.

Professional development topics are jointly determined by administrator and teacher input based on student performance data.

For the previous three school years, we had three days each year dedicated to staff and professional development.

Financial Data

The financial data displayed in the SARC is from the 2008-09 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year, and one year behind most other data included in this report. For more detailed financial information, please visit www.cde.ca.gov/ds/fd/cs and www.cde.ca.gov/ds/fd/ec.

Types of Services Funded

The following services are provided at the District and/or site level:

- Collaboration and Intervention Team
- Professional Development including: SB 472 ELA & Math trainings, Frontloading, Cross-cultural Language and Academic Development examination, Systematic ELD, math teachers network, etc.
- Parent Coordinators
- Parent trainings
- Extended day and summer intervention programs
- College readiness programs
- Counseling
- Class size reduction
- Early Back Summer Programs

School Accountability Report Card

Data in this report are provided by the California Department of Education (CDE), school and the district office. For additional information on facts about California schools and districts, please visit DataQuest at <http://data1.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English Learners.

All data accurate as of February 2011.
