

Greetings Cougars Family!

My name is Angela Carmouche, the Parent and Family Liaison here at Rancho Medanos Jr. High School. I'm a native of Pittsburg, attended Parkside Elementary, Hillview Jr. High, and graduated from Pittsburg High School. I owned and operated my own business for twenty years prior to this position.

My role as Parent and Family Liaison is to help parents/guardians feel welcome, provide parents with information on upcoming events, workshops, and resources available here at Rancho Medanos. Please join the Cougar Family by signing up today to become a Parent Volunteer! Share your talents, I forward your presence here on campus.

I think it's important that Rancho Medanos has supportive parents and I'm committed to making a difference.

Sincerely,

Angela Carmouche
