

Meet the Teacher!

MS. KANYUK

About Me

I was born in Oakland and raised in Berkeley. I lived in Italy for almost 20 years where I was fully immersed in the language and culture. I can't wait to bring my enthusiasm to your student's classroom!

My Education

- ✓ Graduated from Berkeley High School
- ✓ B.A. in Art History from U.C. Berkeley
- ✓ M.A. in Italian Studies from SFSU
- ✓ Teaching Credential from SMC

My Goals

I am always excited teaching Italian at Pittsburg High School! This will be my 5th year teaching 9-12 grades but my 7th year teaching Italian and I am very passionate about the content. Students learn language best when they hear words that they recognize in real-life situations. Through reading, storytelling, games, roll-play and projects, we will learn Italian. Let's make it great!

My Contacts

I love to communicate with parents throughout the year. Please always contact me with questions or concerns.
