Dear PUSD Families,

I hope this finds you and your families doing well. We have had a positive few weeks of our summer school programs and are looking forward to our elementary early-back program! It is so wonderful to see our scholars in-person during summer sessions!

Our return to full in-person school for the fall is set for the first day of school on August 11th. We are still waiting for the State to give us the updates on any revised requirements and guidelines. We thought we would get those in mid-June and are now anticipating receiving them in mid-July. Once we receive those, I will send an update and also schedule a couple of webinars to review and answer any questions. The webinars will be the week of July 19th. We will send out the final dates and times next week.

We are ready to go with our filtration, masks, desks, and procedures and the updates from the State should not change our planning much.

I wish you all a Happy 4th of July! This reminder, we do not have school and the district offices are closed on July 5th.

Thank you!
