About Silicon Valley Community Foundation

Silicon Valley Community Foundation makes all forms of philanthropy more powerful. We serve as a catalyst and leader for innovative solutions to our region's most challenging problems, and through our donors we award more money to charities than any other community foundation in the United States. SVCF has more than \$6 billion in assets under management. As Silicon Valley's center of philanthropy, we provide thousands of individuals, families and corporations with simple and effective ways to give locally and around the world.

Silicon Valley Community Foundation provides donor involved scholarship funds for individual donors who want to be directly involved in the application and selection process. The donor oversees an external selection committee and the scholarship selection process, as approved by SVCF. Whether honoring loved ones or providing for a specific community, each scholarship expresses a deep belief in the power of education to help young people achieve their dreams. Scholarship recipients from 2017 and more information about 2018 scholarship programs are at www.siliconvalleycf.org.
