## BAT CAVE WEEKLY SCHEDULE

### ❖ Reading PACKET: SPEND 2 to 3 HOURS A WEEK

- There are 5 short passages and questions that correspond with them.
- Make sure you rephrase the question in your answer like we practiced all year, and use complete sentences. Answer the questions directly on the computer.

### ❖ TACO TRUCK PROJECT

- **Math: SPEND 2 to 3 HOURS A WEEK**
  - This is a **THREE week** project. There are several pages with math, and some other pages that just involve reading and writing. Read ALL of the directions carefully on each page. This project has you type answers in boxes.
  - SUGGESTED: 1 week for doing the menu creation and order taking from family members (6 orders in all with math included...slides 17 & 18). 1 week for designing truck, use printouts of slide 26 to design and figuring of perimeter and area of all required components. 1 week for building the truck.

### ❖ i-Ready

- There are assignments in both reading and Math that you are to do. These assignments will address your areas of need as identified by the last assessment we took.
- Work approximately **1 hour PER WEEK PER SUBJECT**

### ❖ Freckle

- There will be 3 assignments posted for math and reading per week.

### ❖ ZOOM MEETINGS: Tuesday and Friday at 9:00. **I WILL SEND A LINK THE MORNING OF EACH DAY.**
