The screenshot shows a user interface for a classroom page. At the top left, there is a hamburger menu icon followed by the text "Classroom page" and "Test" below it. To the right of this are three navigation tabs: "Stream" (highlighted with an orange underline), "Classwork", and "People". Below the navigation is a large banner image of a classroom with wooden desks and chairs. Overlaid on the top left of the banner is the text "Classroom page" and "Test". Below the banner, there are two main sections. On the left, a box titled "Upcoming" contains the text "Woohoo, no work due in soon!" and a "View all" link. On the right, there is a "Share something with your class..." input field with a person icon. Below that, a section titled "View class updates and connect with your c" (partially cut off) contains a checklist icon and the text "See when new assignments are posted".
