

Leaf Painting

Who knew leaves could be some kind of paintbrushes?

➤ Materials:

- Fallen leaves
- Paint
- Paintbrushes
- Paper
- Paper plates
- Cup of water

➤ Directions:

- Ask a parent guardian to take you on a quick walk around the neighborhood or just look around your home for fallen leaves of any shape and size.
- Gently wipe the leaves clean.
- Pour small amounts of the paint into a paper plate.
- Gather your paint brushes and begin painting. Use the cup of water to clean your brushes before dipping into a new color.
- While the paint is still wet, turn the leaf and press it onto the paper to leave an impression.
- Continue with more leaves until your masterpiece is complete!
