

# NATURE NAME COLLAGE

Go on a nature walk and look for leaves, flowers, petals, sticks or other things you can find laying around and make these fun leaf name collages! It's also great for fine motor skills.

## ➤ Materials:

- Bag
- Leaves, flowers, petals, sticks, and anything else you might find!
- Construction paper
- Glue
- Marker (optional)

## ➤ Directions:

- The fun begins! Go on a walk and pick up different items you find out in nature. Take a bag and fill it with random nature you collect outside.
- Write your name to decorate on a piece of construction paper, use an "outline" font or make the letters wide to make filling easier.
  - Challenge? Build your name from "scratch" with what you found!
- Use plenty of glue to decorate your name with the items you found out in nature. You can crush or break some of the items to fit in small places.
- Let dry.
