

Rock Painting

You will be using your creativity and imagination to paint any design, picture, or word on a new medium that can easily be found outside. The purpose of this is to give you the freedom to be artistic and get in touch with the nature right outside your door.

➤ Materials:

- Rocks
- Paint
- Paint brushes
- Paper plates
- Cup of water

➤ Directions:

- Ask a parent guardian to take you on a quick walk or just look around your home for rocks of any shape that you feel are good for a mini painting.
- Wash your hands and all the rocks you found and let them dry.
- Start to think of what you want to paint. Do you want to paint butterflies or rockets? A big colorful word or just one big smiley face?
- Pour small amounts of the paint into a paper plate.
- Gather your paint brushes and begin painting. Use the cup of water to clean your brushes before dipping into a new color.
- Clean up your space and leave your rocks to dry in a paper plate.
- Now be creative! You have some cool and easy decorations for any room or garden, or a gift to give.
