

Paper Plate Cars

Red car? Blue car? Rainbow car? Make your own car with paper plates and tissue paper!

➤ **Materials:**

- Paper plates
- Tissue paper (or construction paper)
- Glue
- Scissors
- Black construction paper or black crayon/marker

➤ **Directions:**

- Prepare your tissue or construction paper by cutting it into 1 inch squares. Don't have scissors? Just use your hands to tear them.
- Cut the paper plate in half (you can make 2 cars!)
- Glue the paper squares to the plate. Make your car 1-color, 2-color, or rainbow! Get creative!
- Use black construction paper to cut out wheels for your car or use a black crayon or marker to make them and glue them to the paper plate.
