

Vehicle Blueprints

In this activity, you will draw your own blueprints for the car of your dreams! Give your car a name and label parts you add to it. Want a different mode of transportation? Make a blueprint for a plane, bus, boat, bicycle or maybe even a spaceship!

➤ Materials:

- Blank or grid paper
- Pencil
- colors

➤ Directions:

- First, choose what your mode of transportation will be.
- Use your imagination and brainstorm the sort of things you'd like to add to your vehicle.
- Draw your vehicle of choice and label any special parts or features you've added.
- Last, give your vehicle a name and color it!
